SUPPLEMENT TO
REPORT NO.

25X1X

25X1X

A strategically placed Communist is reported to have stated that the Communist Party of Brazil is planning for great increase in its anti-U.S. campaign. This will take the form of demonstrations against the permitting of U.S. exploitation of Brazilian petroleum. Some mass meetings have already been held.

25X1A

Comment: It is believed that the series of petroleum demonstrations is scheduled to reach its peak about 1 May 1948.
